Runner Up in the Elementary Division

BEING THE HEART AND HANDS OF JESUS TODAY

I can be the heart and hands of Jesus
by loving each other
and doing what my mom and dad say.

The thing that I can do is be friends with
people
that are black, tan, and even white.

I can give money to the poor.

I can give food to people on the street.

When I am older maybe I can give up some
blood.

**The thing that I will do
is be the heart and hands of Jesus Christ.**
